## Application form for a letter of invitation

You may require a visa when you come to Thailand for business and/or leisure. Please make sure that you submit your application on time, since the procedure takes a few weeks. **After 10 February 2017, it is unfortunately not possible anymore to accept your application.** You must apply for your visa personally at the Royal Thai Embassy or Thai Consulate in your country of origin. For your application, you need a letter of invitation. With this form, you can apply for a letter of invitation from the VIV Asia team. Please fill in all the fields below.

**To be able to apply for a visa at the Thai representative in your country, it would be best if you could show them a letter of invitation from one of the exhibiting companies with whom you have already been doing business or with whom you have contacted and the aim of doing business. If the company in question is an exhibitor, but not a Thai company, a letter from such company together with this letter might speed up the process.**
